FOR ALL YOUR FLEET BRAKING NEEDS!

Police Formulated Rotors

LC 779

Law enforcement agencies demand performance, stealth, and dependability in the patrol vehicles they operate on city streets. Raybestos® Police Rotors are engineered for superior performance and deliver unmatched stopping power, cooling properties, and noise control.

Fleet/Severe Duty Brake Pads

LC 954

SST Fleet / Severe Duty Brake Pads offer OE-design slots and chamfers and anti-noise shims. Electronic brake wear sensors and stainless steel hardware where applicable are also included. Excellent fade and heat tolerance characteristics designed to withstand extreme braking conditions.

LC 458 / 459

HEAVY DUTY FILTERS!

- Broad range of applications, including on-highway, commercial trucks, delivery vans, service trucks, buses, marine, mining, construction, agriculture, and industrial
- Meet or exceed OEM requirements for fit and function

PREMIUM GUARD

FROM \$7⁹⁵

*Prices Subject to Change - Tariff Warning. While we're minimizing and absorbing price increases where feasible, across the aftermarket, numerous price increases are occurring. We're striving to constantly improve and provide exceptional service, products, and price. Thanks for your business!!

- Baldwin Filters offers an extensive selection of lube, air, fuel, hydraulic, coolant, and transmission filters for the trucking, construction, mining, agricultural, marine, and mobile power generation industries
- Every phase of production is designed to ensure the highest quality and performance standards
- When you need quality coverage, Baldwin has the widest range of filtration products in the mobile aftermarket

Vapor Canister Vent Solenoid

#911-216 | LC 322

Direct replacement | Fits and performs like original equipment with simple plug-and-play installation

\$29⁹⁵

DORMAN FORD TRANSIT SOLUTIONS

\$147²¹

Electronic Throttle Body

#977-300 | LC 322

Original equipment throttle bodies often fail when moisture and oil intrusion foul the internal electronics. This Dorman OE FIX throttle body features Dorman Sensor Shield technology, a proprietary butterfly shaft seal to prevent future failures from this contamination.

Upgraded design | This plug-and-play replacement throttle body features a proprietary Sensor Shield butterfly shaft seal to prevent future failures | New construction - 100% new case aluminum, not remanufactured, for reliability and the convenience of no core charge | Rigorously tested - complies with Federal Motor Vehicle Safety Standards (FMVSS) and endurance-proven with over 1 million cycle tests | Trustworthy quality - vehicle try-on tested, and backed by a team of product experts in the United States and more than a century of automotive experience

Ignition Coil Multi-Pack

#FD503TK8 | LC 863

For a complete replacement of old and worn ignition coils | Compatible with many of the Ford Econoline variants widely in use in the fleet industry today, along with other vehicles

\$129⁹⁵

MORE OPTIONS AVAILABLE FOR OTHER FLEET VEHICLE NEEDS

NRS GALVANIZED BRAKE PADS GIVE YOUR FLEET:

Maximum ROI
NRS lasts up to 2x longer than typical painted brake pads

More Durability
Galvanized steel will even outlast the friction material it's attached to

Increased Safety
Mechanical attachment will never delaminate, keeping our roads safe

Greater Up Time
Less time in the bay for brake repairs = more time on the road

NRS Friction LC 670

Galvanized backing plates never rust | Perfect fit and function; match OE tolerances, ensuring a seamless fit for maximum performance | Zero noise

NRS GALVANIZED

Available at limited locations

Prices good through March 31, 2026
