EQUIPMENT

\$6895⁹⁵

SWING ARM TIRE CHANGER WITH ELECTRIC TURNTABLE

#A9824TI | LC 762

Electric Turntable. Superior quality teamed with a sleek design and other unique features allow this machine to achieve speeds up to 50% faster than any other tire changer on the market in its price range. That's why Corgi was awarded ISO 9001 Quality Certification, industry's most coveted award. Run-flat certified by all major tire manufacturers. 2 speed turn table. Built-in table inflater with jets in the jaws. Unique mount/demount head does not touch the rim during operation. Locking handle locks head away from the rim. Powerful action bead-breaker blade follows bead to inside rim contour. Heavy-duty turntable rotates in either direction. Rebuildable stainless steel cylinders. Heavy-duty stainless steel turntable.

\$2309⁹⁵

OPTIONAL HELPER ARM

#PU1500 | LC 762

\$5369⁹⁵

DIGITAL WHEEL BALANCER

#EM9250 | LC 762

Compact modern design has programs and features of larger and more expensive competitive units. LED display provides ease of use. Dynamic, static, alum, split-weight, OE match and motorcycle programs. 2D auto data entry, Smart Arm / Auto Selection. 11" offset of backing plate for wide wheels. Auto Laser Line & LED light for wheel weight placement.

\$7749⁹⁵

WHEEL BALANCER W/LCD MONITOR

#EM9280 | LC 762

LCD monitor ideal for displaying high resolution graphics and dedicated software

\$15,179⁹⁵

AM50 LEVERLESS 12"-30" TIRE CHANGER

#AM50 | LC 762

Available in electric only. Sturdy pneumatic locking swing-arm design enables the machine to be close to the wall. Powerful two-speed transmission for both precision and speed. Exclusive slow-start first revolution when fast speed is engaged allows the tire to slip into the drop-center, eliminating the binding that tears beads. Precision bead breaker disk gently loosens both beads. An all-new bead lifter eliminates the need for a tire bar, reducing operator risk and torn beads - another Corgi exclusive. Center cone clamping with plastic protector means no metal touches the face of the rim at any time. Handles tires 12" to 30", including UHP, run-flat and low-profile tires PAX capable with optional adaptors.

\$20,599⁹⁵

MASTER J, TIRE CHANGER WITH TOUCHLESS ARM

#MASTERJ

Revolutionize your tire-changing workflow with the Corgi Artiglio Master J, a masterpiece of Italian ingenuity. Featuring the groundbreaking Leva la Leva technology, this tire changer eliminates the need for traditional levers, ensuring zero contact with rims and safeguarding tire integrity. Designed with the patented SMART Corgi System, it minimizes tension on every tire type, including Run Flats and low-profile tires. The result? Precision, safety, and an unmatched tire-changing experience.

The Master J boasts a dynamic bead-breaking system, universal wheel clamping, and an ergonomic console for effortless operation. Its advanced design supports tire diameters up to 43.31" and widths up to 14", while a powerful dual-speed motor inverter (7-18 rpm) ensures quick, precise performance. Whether you're handling conventional tires or the most challenging Run Flats, this machine is a blend of efficiency, elegance, and reliability, setting the standard in professional tire service equipment.

\$34⁹⁵

2 SPEED ELECTRIC HOT AIR GUN

#W50076 | LC 962

Dual speed fan delivers 300/500 CFM at temperatures between 572-932 Degrees Fahrenheit (300-500 C). Heating coils wrapped around ceramic insulators for extended run times and more consistent heat output. Integrated thermal relay for safe operation and prevent overheating your tool. 6 ft. 2-pronged power cord.

\$183⁹²

PROSERIES 1800 PEAK AMP JUMP STARTER

#DSR119 | LC 806

This 4-gauge, 28-inch flex performance jumper cable includes heavy-duty clamps that fit top and side-mount batteries. The 12-volt DC power outlet features overload and short-circuit protection for added safety. For convenient storage, this maintenance-free unit can be stored in any position. Jump starter and 12V DC power source. Internal sealed lead-acid battery. Meets the highest industry standards for energy efficiency.

\$198⁰⁰

12V 2200 PEAK AMP JUMP STARTER W/USB & DC

#DSR165 | LC 806

Jump starts 8-cylinder gas and 6-cylinder diesel engines. Powered by a high-output AGM battery tailored for 12V systems. On/Off switch prevents accidental sparking of clamps for added safety. 4-gauge, 60-inch cables with heavy-duty color-coded clamps ensure easy and secure connections. Digital display indicates internal battery percentage and connected battery voltage. Rust and corrosion-proof case with protective side caps for durability. Can be used in both vertical and horizontal positions for convenience. Reverse connection warning emits an alarm if clamps are connected incorrectly.

ESSENTIALS

\$195⁹⁵

RAPTOR TRUCK BED LINER KIT

#UP0820 | LC 936

Contains four bottles of Raptor and one tin of hardener. Each kit covers approximately 125 square feet, enough to do a full size pick-up truck bed. Compatible with both Raptor Schutz and Pro Vari-Nozzle guns.
